The Fall Baseball program is intended for players who are considering playing Babe Ruth in the up-coming season and is an instructional league. This will allow players to experience the big diamond and get a feeling of playing in Babe Ruth. The program is also for current players who would like to keep their baseball skills up to date.

The 2016 Program will consist of one to two teams of 15. The teams will roster bat and play with Mountain View or Palo Alto. The games are very low key, which means no scores are kept, there is a 5 run per inning rule, there is one umpire and no standings are kept. Each pitcher is only allowed to pitch two innings.

Practice starts in late August. Games start the weekend after Labor Day and run through the end of October. Games will be played on Saturday and/or Sunday, depending on the scheduling.

Each Player will be given a jersey and hat, which is covered in the fees you pay. If you should have any further questions please do not hesitate to contact me at the below phone number or email. If any of your friends are interested, please give them an application as well with the information.

If you would like to Manager or Coach on a team, please contact me!!
